

We just wanted you to know how important K-LOVE is to us and our family. It provides encouraging music and keeps us updated on events in our area. It is a station that we can always have on and we don't have to worry about being offended by off-color jokes and offensive language. It is the only Christian music station that we can receive in this area and many people would be affected if it wasn't broadcasted anymore. K-LOVE provides a safe haven for families to enjoy relevant news stories and not have to worry about children hearing things they shouldn't. Please do not allow LPFM to take over the current FM translator service. The fact that K-LOVE is heard all over the U.S. is one of the things we like best about it.
